FLEETLINE PASSES ISO CERTIFICATION AUDIT

Springfield, TN (December 4, 2014)

Fleetline Products gained its ISO 9001:2008 recertification after passing its annual third-party audit in October 2014. In order to receive this certification the company must maintain a quality management system that ensures quality products are made to customer specifications.

“We strive to deliver quality products to our customers,” explains Barry Stiles, President of Fleetline. “This certification holds us to a standard that ensures we meet that goal consistently.”

Fleetline is the leading supplier of fenders and mud flap hanger brackets in the USA. With a full line of products to fit all major manufacturers’ trucks and trailers, you can count on Fleetline for unparalleled quality and exceptional value. Fleetline is a Marmon Highway Technologies LLC/Berkshire Hathaway company.
