LIMITED WARRANTY

All products manufactured and sold by Fleetline Products Inc. are guaranteed to be free of defects in workmanship and materials for a period of one (1) year from date of installation. An extended Lifetime Warranty is available on all poly single axle, half and full tandem fenders. All Fleetline products must be installed using only Fleetline supplied mounting kits and brackets. All tandem and half fenders must use a properly secured center bracket to avoid cracking. Any use of mounting hardware and brackets of another make to mount Fleetline products, or any modification of a Fleetline product, will render the Fleetline guarantee void. Fleetline assumes no responsibility for the cost of installation or removal.

Exceptions to this limited warranty are as follows: cleaning with anything other than soap and water, damage and dents from road hazards are not covered, misuse or accidental impact damage is not covered, damage caused by corrosive materials is not covered.

Any materials to be considered for warranty must be returned to Fleetline Products Inc. in Springfield, TN, freight prepaid, for inspection, with an approved Fleetline Returned Goods Authorization. This warranty is good only for the original end-user of Fleetline products.

Visit fleetlineproducts.com to view Fleetline Terms and Conditions for further clarification.

Stainless Steel Fender Care and Maintenance

Fleetline strongly recommends washing your fenders with water only. If detergents are necessary, do not use anything stronger than a mild soap and water. When wiping and buffing your fenders we recommend using a soft, clean cloth making sure to wipe in the direction of the grain; do not buff in a circular fashion as this could cause damage to the surface.

Placing Orders

- For information on placing a new order, please contact Customer Service at **800-332-6653**

Order Amount and Quantity

- Some items subject to minimum order or standard pallet quantities
- Packaging surcharge may be added to accepted orders inconsistent with the above requirements
- Minimum Order amount is \$250. Order surcharge may be applied to orders for less than this amount

Freight Policy

- All orders are F.O.B. Fleetline Products, Springfield, TN 37172
- Customer is responsible for inspecting all shipments upon arrival for freight / transit damage
- Damage must be documented on the receiving BOL (Bill of Lading)
- Fleetline must be advised in writing of any damage within five days of receipt
- Any claim of damaged freight must be accompanied by supporting pictures and documentation, including a copy of the BOL

Guaranteed.

All of our products are backed by a 1-year warranty with an extended lifetime warranty on all poly products.

Return Goods Policy

Please note that not all merchandise is eligible for return. Obsolete and superseded parts are not eligible. Customer specific (proprietary) parts may not be returned. Special order products are not eligible for return.

An RMA request form must be completed and submitted to Fleetline before any consideration can be given for a return. The RMA request form can be found online at www.fleetlineproducts.com or by contacting Customer Service at 800.332.6653. Once the RMA request form is received and approved by Fleetline, an RMA number will be provided.

The following applies to all return requests:

- All returns must be accompanied by an approved RMA number
- All returns must be accompanied by a copy of the original invoice
- Parts may only be returned by the original purchaser
- Returns must be shipped freight prepaid
- Returned parts must have been purchased within the previous six months
- Returned parts must be received in "brand new" saleable condition, in their original packaging
- Returned parts are subject to a 15% re-stocking fee
- Annual return amount is limited to 5% of annual purchases

Claims for Shortages

- When shipment is received, please check contents promptly
- All shortages must be reported within three (3) working days from date of shipment receipt

- When making a claim, please have the following information available before contacting Customer Service: Invoice number, Date of receipt, Carrier and PRO number

Claims for Damaged Merchandise

- Fleetline products are sold F.O.B. factory and leave our plant in excellent condition. It is required that the merchandise be inspected upon receipt for damages. Merchandise received damaged must be resolved between customer and carrier.
- If a shipment is damaged in transit, the driver must record the damage in writing and the carrier must be notified immediately to submit a claim. Keep the shipment intact as received so the carrier can inspect and confirm the damage.

About Fleetline
